Happy International Credit Union Day 2022!

Agricola Credit Union joins the rest of the global community in wishing our members a very Happy Credit Union Day!

This year's theme is **“Empower Your Financial Future With A Credit Union”** and it reflects the very essence of the Credit Union movement and our co-operative principles.

Agricola acknowledges the valuable contribution of all who are a part of its rich history and recognizes that our future depends on you, the membership, being empowered to make sound financial decisions.

We say thank you for the loyalty, support and commitment to ensuring that Agricola remains a leader in the Credit Union industry.

Despite the many challenges faced over the past two years due to the pandemic, we remained steady and secure, providing you with excellent Products and Services, understanding that serving you is indeed our greatest joy and proving the financial support for you and your families is definitely our greatest accomplishment.

We are pleased to inform you that we have been granted permission by the Commissioner for Co-operative Development to host a Virtual Annual General Meeting on Sunday December 11th 2022. This would allow us the opportunity to discuss important issues, pass Resolutions, including Dividends. Once the meeting has concluded, we will be able to begin payment of Dividends within a week.

Again, we wish to thank you, our valued membership, Members of the Board of Directors, Committee members, Staff members and all who assist, for your unwavering support and dedication in making Agricola the grand institution that it is.

We invite you to visit our offices and participate in all the wonderful activities planned.
